Education

M.Tech – Computer Science & Engineering

Prof. Ram Meghe Institute of Technology and Research
– CGPA: 9.33

Aug 2024 – Present

Amravati, India

B.E. – Computer Science & Engineering

Prof. Ram Meghe Institute of Technology and Research
– CGPA: 9.30 — 10th Rank – Sant Gadge Baba Amravati University (Summer 2023)

Aug 2019 – Jun 2023

Amravati, India

Technical Skills

Languages: Python, Java, JavaScript, C/C#/C++, SQL, PHP

AI / ML: LangChain, LangGraph, LlamaIndex, CrewAI, HuggingFace Transformers, Scikit-learn, OpenCV, FAISS, ChromaDB

Cloud & DevOps: AWS (S3, EC2, Lambda), Docker, Firebase, Snowflake, Jenkins, Git, n8n, Zapier AI

Analytics & Tools: Power BI, Tableau, Pandas, NumPy, Jupyter Notebook, Android Studio, VS Code, Node.js

Work Experience

AI & Cybersecurity Trainer

Dr. Panjabrao Deshmukh Administrative Academy (Prabhodini)

- Spearhead hands-on workshops on 10+ AI productivity and automation tools for government employees, raising digital efficiency.
- Instruct core cybersecurity modules — phishing detection, authentication protocols, and secure digital practices — to 100+ trainees.
- Produce concise, scenario-based training materials that enable learners to directly apply AI and cyber skills in workplace settings.

Jul 2025 – Present

Amravati, Maharashtra

Assistant Professor – Computer Science

Vidyabharati Mahavidyalaya

- Mentored 50+ students through SDLC-structured project tracks in Python, HTML/CSS/JS, and Blockchain, fostering industry-ready skills.
- Facilitated Faculty Development Programs on Python automation and emerging AI technologies, reaching 30+ faculty members.
- Guided student teams across 5+ hackathons, providing end-to-end technical support in web automation and ML project domains.

Aug 2024 – Present

Amravati, Maharashtra

Internship Experience

Data Analyst Intern

Elevate Labs

- Processed and cleaned large-scale datasets with Pandas and NumPy; refactored SQL queries, reducing data retrieval time by ~30%.
- Engineered interactive Power BI/Tableau dashboards tracking 10+ KPIs, translating raw data into actionable stakeholder insights.
- Partnered with the analytics team to ship predictive ML models, improving forecast accuracy by ~15% over the baseline.

May 2025 – Jun 2025

Bengaluru, Karnataka

Product Developer Intern

Golden Bird Education Pvt. Ltd.

- Launched *Riddle Room*, an Android quiz app from scratch with 100+ questions, adaptive scoring, and integrated multimedia assets.
- Authored 10,000+ lines of Java leveraging 15 Android SDK libraries; incorporated 20+ UI/UX iterations from 10 user feedback sessions.
- Coordinated with a cross-functional team of 5 designers and 3 product managers across the full SDLC using Git and Agile workflows.

Aug 2021 – Nov 2021

Amravati, Maharashtra

Android App Development Intern

Golden Bird Education Pvt. Ltd.

- Crafted rich UI components — ListView, ViewPager, Navigation Drawer, custom widgets — adhering to Material Design guidelines.
- Integrated Firebase (NoSQL) for real-time data sync and introduced REST-based API communication patterns across app modules.

Apr 2021 – Jul 2021

Amravati, Maharashtra

Projects

LLM-based Agentic Chatbot | LangChain, OpenAI GPT, REST API

- Architected a multi-turn conversational AI agent with tool-use capabilities, modular design, and full SDLC/Git practices.

Sep 2025 – Present

PhishShield – AI Phishing Detection | Python, Scikit-learn, Flask

- Shipped a real-time ML classification REST API for phishing URL detection using ensemble methods on 10K+ labeled samples.

Mar 2025 – May 2025

HR Analytics & Retention Dashboard | Power BI, Python, SQL

- Modeled attrition drivers on HR datasets and produced a real-time dashboard tracking 8 retention KPIs for leadership review.

Jun 2025 – Jul 2025

Lucky Draw D-App | Solidity, Blockchain

- Deployed a decentralized lottery application on Ethereum using smart contracts, ensuring transparent and tamper-proof draw logic.

Aug 2022 – Mar 2023

Certifications

NVIDIA – Fundamentals of Deep Learning — QWorld – Quantum Computing & Programming (QBronze/Qiskit)

AWS Cloud Virtual Internship — Google AI-ML Internship

Cisco Networking Academy – CyberSecurity Essentials, Cyber Threat Management, IoT, Data Science, Packet Tracer (6 certs)
